

CHICAGO MARATHON NOTICE

Sunday, October 11, 2026

Dear neighbor,

The Bank of America Chicago Marathon will be held on Sunday, October 11, 2026. This notice is informing you of street closures and traffic restrictions during the event. We appreciate you adjusting your schedule to avoid any inconvenience.

No parking will be allowed on the Chicago Marathon course. Towing of vehicles on the course will begin at 1 a.m. on Sunday, October 11, 2026. Please refer to the bold line on the map (right) that indicates the course for reference. Vehicles that are not removed from the street by that time will be ticketed and towed to the nearest auto pound. For inquiries about towed vehicles, call 312.744.4444.

Streets in your neighborhood may be closed to traffic starting at 6 a.m. and continuing to 4 p.m. as more than 55,000 participants pass through the area. A comprehensive list of street closures and their approximate reopening is available at chicagomarathon.com/streetclosures. Access to other streets in your area not directly on the course may be affected during this timeframe. We work closely with the City of Chicago to reopen streets as quickly as possible.

If you have any questions, please contact the Chicago Marathon by emailing office@chicagomarathon.com or visit chicagomarathon.com for more information about the event.

Sincerely,

Bank of America Chicago Marathon

Get involved race weekend!

Volunteers help Chicago Marathon participants reach the finish line! If interested in volunteering, please visit chicagomarathon.com/volunteer.

Spanish and Chinese translations are available online at chicagomarathon.com/streetclosures.

See something? Say something! We all play a role in keeping Chicago safe. If you witness suspicious or criminal activity, notify the nearest police officer along the course route or call 9-1-1.
